High School Student Applicants must register at a college, university, vocational or trade school located in the United States of their school choice

PLEASE write a short essay with introduction, support, and a conclusion. Answer one of the two questions below in paragraph format. Your support should be from reliable sources with some statistics.
(Ex; the percentage of teens effected by gun violence is X) and facts (Ex: Gun violence in the Tri-State community's effect X).
1. Gun violence is a serious problem in America. What do you think about gun violence and how do it effect the community?
2. Is there a correlation (relationship) between guns and crime. How do different gun control measures like background checks or assault weapon bans impact gun violence (how would this reduce gun violence in your community)?
